Corrigendum No.1

For the work of MSW, Processing, Treatment and SLF

Ref:- NWCMC/SWM/P&D-2011 dated 07/03/2011 Tender Notice for above work published on 7th / 8th March'2011.

1. In financial bid clause "A" is modified as below.

A) After considering Rs.10.00 Crore/- s as grant-in-aid component from NWCMC in four equal installments in next three years from the date of commissioning of project (Rs.3 Cr. Within one month of commissioning of plant, Rs.3 Cr. In thirteenth month from the date of commissioning, Rs.2 Cr. In twenty-fifth month and Rs.2 Cr. In thirty sixth month from the date of commissioning of the plant, we will charge towards O & M of processing facility plus construction and O & M of SLF.

- i) we will charge you @ Rs. ____ per MT of non-segregated (Mixed) MSW / We will not charge anything to you.
- ii) We will charge you @ Rs. _____PMT of segregated MSW / we will not charge anything to you.

The following clause "B" is deleted now.

B) We will charge escalation of O & M charges @ Rs. _____percent per year starting from 2nd year of operations / will no charge anything.

In place of this fixed escalation @ 3% per year will be paid starting from 2nd year of operation.

- 1) The mark assignment for evaluation will be 75% for technical & 25% for financial.
- 2) Earnet Money Deposit (EMD) : -

An EMD in form of Demand draft (DD) for Rs. 10 lakh payable to Municipal Commissioner, NWCMC Nanded drawn on Nationalised Bank / Scheduled Bank needs to be submitted in original in Tender Envelope No.1, in case of

Conventional System of Submission, Scanned copy of DD needs to be uploaded along with bid uploading in case of 'E' Tender. At the same time, original DD needs to be submitted in the office of AMC, NWCMC Nanded, before opening of Technical bids.

- 3) The quantities mentioned in BOQ are approximate & bidders need to access them on their own by visiting site condition. The specification of work needs to be of highest standard & bidders need to obtain prior approval of NWCMC for the same.
- 4) The MSW processing site is outside Municipal Corporation limit & hence at present no Octroi / LBT is applicable.
- 5) 2 Nos. EOT of adequate Capacity are required & not of 20 MT Capacity as mentioned in BOQ.
- 6) Joint ventures / consortium SPV are allowed to participate in bidding. While purchasing the bid, the bid needs to be purchased in the name of JV/SPV/Consortium.
- 7) At present geo-technical report & Contour Map of the land is not available with NWCMC Nanded.
- 8) NWCMC Nanded is assuring 150 TPD-MSW at present. The total MSW generation as on date is about 180 TPD & expected to go up to 200 TPD till Commissioning of plant. As on date the assurance is for 150 TPD only.
- 9) The bid submission is through both E-tendering and through Conventional System.
- 10) Draft Concession agreement will be finalized mutually with successful bidder.
- 11) The revised date for submission of bid is 18th April 2011.

All other terms & conditions are unchanged.
